

Welcome to the Homepage of INNONET Centre of Innovation and Technology!

Our work is based on the firm belief that long term socio-economic benefits of innovation processes significantly exceed the earnings of individual companies participating in them. Committed to this observation, INNONET was established as a non-profit organization to aid innovative small and medium enterprises and thus foster the development of the West-Transdanubian Region.

INNONET'S PRIORITY BUSINESS FIELDS

- Offering office and workshop space for innovative enterprises at a reduced rate. Rental in our building is bundled with many additional free services for our tenants (including availability of discussion rooms, event organization support, copiers etc.)

- Acting to identify new ideas and innovation challenges; framing and management of innovation projects on regional and trans-regional (cross-border) level

INNONET'S TARGET GROUPS

-

Companies (mainly Start Ups) with a strong technology focus, specialized know-how and high growth potential (Supported by basic office and IT services to aid their management to focus on core business activity)

- Small enterprises (including Spin-offs) ready to participate in supplier chains (becoming partners of TIER I-II companies etc.) or act as project partners in research cooperations. (Supported by additional advice regarding available funding, application procedures and project management)
