

Event Location

INNONET

offers space for presentations, discussions, press conferences etc. in the hearth of the International Industrial Park in Győr. Available rooms are:

- 80 seat (10×10m) auditorium with built-in beamer and sound system, 4m wide whiteboard, Nielsen-rail hanging system for wall mounting of illustrations and many possible seating configurations (from theater-like to small group discussions around additional tables)
- 15 seat meeting room with conference table and free wall surface for projections (flipchart and mobile beamer available upon request)
- 5 seat meeting room for shorter discussions

The Cafeteria/Restaurant

in INNONET's building assists in preparing Your events with solving catering challenges (coffee breaks, welcome drinks, warm/cold buffet tables or seated, menu based lunch).

Sufficient

free corridor space and additional tables are available for typical conference tasks like the opening of a registration desk etc. Upon request we aid you in finding available interpreters (with sound hardware and cabinet) through our partners for Your event.

Check for the availability of our rooms in INNONET's event calendar. Key to understand Hungarian event labels with room numbers: 26. előadóterem = auditorium; 33. tárgyaló = 15 seat meeting room; Fsz. 2. tárgyaló = 5 seat meeting room.)
